

Intervention Design Helper

© Ruth Aspy, Ph.D., and Barry G. Grossman, Ph.D.

Intervention Design Helper: Use this form to assist in developing the intervention plan to be recorded on the Ziggurat Worksheet. Start in either column. After both columns are complete, indicate next to each intervention on which level(s) of the Ziggurat the intervention falls: Sensory/Biological (**SB**); Reinforcement (**R**); Structure&Visual/Tactile Supports (**SVT**); Task Demands (**TD**); Skills to Teach (**ST**).

Underlying Characteristic(s)	Interventions
